

## Course objective

Provide a comprehensive review to anesthesiologists about the current practices of peripheral nerve blocks relating to the use of ultrasound and peripheral nerve stimulator (PNS). This course is allowing the provider the necessary tools to practice safe and up-to-date ultrasound guided procedures. Upon completion of this course participants will have exposure to: all of the nerve blocks in common anesthesia practice, identify relevant anatomy allow each participant to perform scanning and ultrasound - guided needle placement on the patient and get more confidence to perform your own blockade.

## Course fee

1st day only: Lecture and Hand-on workshop in cadaveric & volunteer) 3,000 THB (100 USD), Max 20 persons

(a non-anesthesiologist can apply)

1st – 5th day: Lecture and Hand-on workshop in OR, Max 6 persons (for an anesthesiologist )

- Local delegates: 25,000 THB

- Oversea delegates: 30,000 THB (1,000 USD)

Note: This fee is not including bank service charge and accommodation.

## Payment method

โอนเงินเข้าบัญชีออมทรัพย์ชื่อ “พญ.สุวิมล ต่างวิวัฒน์ และ/หรือ นพ.ปฐม หีลิละเมียร” เลขที่บัญชี 016-419953-9 ธนาคารไทยพาณิชย์ สาขาศิริราช, 2 ถ.วังหลัง, เขตบางกอกน้อย, กรุงเทพฯ 10700 (By bank transfer/draft to “Dr. Suwimon Tangwivat and/or Dr. Pathom Halilamian” Saving Account Number 016-419953-9, Siam Commercial Bank, Siriraj Branch, Swift code: SICOTHBK)

หลังโอนแล้วกรุณาส่ง fax หรือ email หรือ ส่งไปรษณีย์แบบฟอร์มลงทะเบียนและหลักฐานการชำระเงินมาที่ น.ส.รานี รัชตามุขยนันต์ ภาควิชาวิสัญญีวิทยา คณะแพทยศาสตร์ศิริราชพยาบาล ตึกสยามินทร์ ชั้น 11 เลขที่ 2 ถ.วังหลัง เขตบางกอกน้อย กรุงเทพฯ 10700 (Please kindly submit your registration form and proof of payment to Ms.Ranee Rushatamukayanunt, Department of Anesthesiology, Faculty of Medicine Siriraj Hospital, either by fax +66 24113256 or email: l.rusha2007@gmail.com) For more information, please contact: Ms. Ranee Tel. +66 2419 9297 ext 201 or e-mail: l.rusha2007@gmail.com

## “INTERNATIONAL ULTRASOUND-GUIDED PERIPHERAL NERVE BLOCK WORKSHOP”

**COURSE 1: 08-12 OCTOBER 2018**

**COURSE 2: 05-09 NOVEMBER 2018**

**DEPARTMENT OF ANESTHESIOLOGY**

**FACULTY OF MEDICINE SIRIRAJ HOSPITAL,  
MAHIDOL UNIVERSITY, BANGKOK, THAILAND**

**FACULTY OF MEDICINE THAMMASAT UNIVERSITY HOSPITAL,  
BANGKOK, THAILAND**

## Ultrasound-guided Peripheral Nerve Block

Day 1:(Monday), SITEC Center, 4th Srisavarindira Bldg, Siriraj Hospital

- 07:20-07:40 Registration & Welcome
- 07:40-09:40 Practical Knobology for ultrasound guided  
Regional anesthesia for upper extremity surgery  
Regional anesthesia for lower extremity surgery
- 09:30-10:00 Coffee break
- 10:00-12:00 Hands-on workshop with volunteer and cadaver  
- live volunteers: ISB,SCB,AXB,FNB,ACB,FICB  
- cadaver: scanning & handling: ISB,SCB,FICB, FNB, ACB
- 12:00-13:00 Lunch
- 13:00-14:00 PNB for abdominal surgery  
PNB for chest wall & thoracic surgery
- 14:00-16:00 Hands-on workshop with volunteer and cadaver  
- live volunteers: TAP,II,IH,PEC,Serratus Plane block  
QLB, ESP block
- 15:00-15:15 Coffee break  
Hands-on workshop with volunteer and cadaver  
- cadaver: scanning & handling: QLB, ESP block

Day 2-Day 5(Tuesday- Friday): Day 2,3 Siriraj Hospital, Day 4,5 Thammasat Hospital, Pathumthani, Thailand (Lunch & coffee breaks are included)

08:30- 16:00 (Operating Room)

- Live demonstration of nerve block procedures
- Practical tips and tricks for USG ± PNS blocks on patients (under supervision)
  - Femoral nerve block, adductor canal block
  - Sciatic nerve block (subgluteal approach, popliteal approach)
  - Ankle block
  - Interscalene brachial plexus block (ISB)
  - Supraclavicular brachial plexus block (SCB)
  - Infraclavicular brachial plexus block (ICB)
  - Axillary brachial plexus block (AXB)
  - Paravertebral block
  - Continuous brachial plexus, femoral, adductor canal block
  - Continuous interscalene, infraclavicular nerve block

Scanning practice and individual feedback

## Speakers

Speakers: Faculty of Medicine Siriraj Hospital:

Assist. Prof. Suwimon Tangwiwat  
Assoc. Prof. Arissara Iamaron  
Assist. Prof. Pathom Halilamien  
Assist. Prof. Busara Sirivanasandha  
Assist. Prof. Pawinee Pangthipampai  
Assist. Prof. Nantthasom Zinboonyahgoon  
Dr. Dr. Suppachai Poolsuppasit  
Dr. Choopong Luansritisakul

Faculty of Medicine Thammasat University Hospital:

Assist. Prof. Sudsayam Manuwong  
Assist. Prof. Alisa Seangleulur  
Dr.Araya Watanitanont
